in the State of New Jersey)	

This matter was opened to the New Jersey State Board of Dentistry ("Board") upon receipt of information from the Enforcement Bureau, Division of Consumer Affairs (Professional Boards), concerning allegations that Paul Anthony Condouris, D.M.D. failed to properly document prescriptions for approximately 300 tablets of Demerol, a Schedule II Controlled Dangerous Substance, during the period February 1987 to September 1987 for a patient in his dental practice. It appears that records of prescriptions documented in the patient chart is less than actually prescribed and some telephone orders were not confirmed to the pharmacy in writing. The Board thoroughly reviewed the record in this matter including information received during the course of an investigative inquiry attended by Dr. Condouris on June 17, 1992.

It appearing that Dr. Condouris desires to resolve this

matter without recourse to formal proceedings and for good cause shown;

HEREBY ORDERED AND AGREED THAT:
